BROKEN HEARTS MINISTRIES

Advocating for Orphans...

Joshua is from Manipur, India. His parents are divorced. All his families are suffering from HIV, he is also on ART medication. His father got remarried and since there was no proper medication in his village, he and his younger brother David were brought to Happiness Home for medication and further studies. He studies in 7th standard, he likes to play soccer and badminton. He takes active parts in performing choreography in the church services. He wants to become a Doctor.
