# **BROKEN HEARTS MINISTRIES**

---

Inspite of the physically infirmity she had her sight (congenital abnormal by birth). She found the Lord and rejoiced in help her in managing household chores. But unfortunately after having 2 children her husband suffered with stomach cancer and died. Having nothing in hand to feed her kids nor could earn for their living due to her poor sight.

She heard about RUTH INN and her children were supported by a mission school. God gave her a talent in singing and become the song leader in the Home.
