**SHEETAL** (14 years old) Date of Birth: May 14<sup>th</sup>, 1999

I was born in a Hindu family. We were very poor. My father was a farmer and my mother was very weak and sick. I have six sisters and it was very difficult for my parents to take care of us and they could not give us a good education. I didn't know how to read or write. I was also very sick and weak.

In 2005 I came to Blue Haven Children's Home. In the course of time, God completely healed me and I am very thankful. In Blue Haven, I have learned to read and write and speak English and have learned many other things, too. I am now studying in 8<sup>th</sup> Grade. It was here also, that I came to know about Jesus, the living God. I am so happy to be here, and when I grow up I want to become a doctor.
