BROKEN HEARTS MINISTRIES

Though barren she lives a happy life till the death of her husband, in 2000. After the death of her husband she became weak and unhealthy. She had a hard time living all alone as she has no one to rely on as her own parent also died already. With her being lonely and unhealthy, she could not stay alone any longer and came to this home. She is happy and enjoyed the Christian fellowship in the church. The home took care of her physical and spiritual needs as much as possible.
