BROKEN HEARTS MINISTRIES

JANKI (14 years old) Date of Birth: April 24th, 2000

I was born in a Hindu family and have three brothers and one sister. When I was very small my father died. My mother worked hard to feed us but she was unable to send us to school. There in the village I was not well and was very weak.

In 2005 God brought me to Blue Haven Children's Home where they gave me medical treatment so I got well. Here I came to know the real God and I am really happy to be here. I am studying in Class 8th. When I grow up I want to be a teacher and go back to the village and open a school for my village people so that they can be educated too. I also would like to become an accountant.
