BROKEN HEARTS MINISTRIES

RADHIKA (14 years old) Date of Birth: June 21st 2000

I was born in a Hindu family. My parents were illiterate and my father died when I was very small. My mother worked hard as a laborer in the field but earned very little money. She tried to look after us but it was very difficult for her to get enough to feed us. We were constantly sick and weak. Because of the difficulties she was not even able to think about our education. So we were growing up uneducated.

In 2005 God brought me into Blue Haven Children's Home. Now I am studying in 7th grade. Here I came to know about the living God. I am happy to have the opportunity to tell people about my Savior Jesus Christ! I am working hard in my studies and want to be a doctor someday.
